Re: Proposed Derryadd Wind Farm Public Information Clinic

Dear Resident,

At the request of the Derryadd Community Engagement Forum we have organised a Public Information Clinic for the proposed Derryadd Wind Farm. The purpose of this Public Information Clinic is to present the final layout map that was circulated to you in early April and answer any queries you may have in relation to the proposed layout or any other elements of the proposed development. The Public Information Clinic will be held as follows:

On: Thursday, 25th May 2017

In: Bord na Móna Mountdillon Works

At: 6 – 9pm

Members of the project team will be attendance to discuss the proposed development with you. No booking required and admission is free.

Yours faithfully,

Pat Fitzgerald

Derryadd Wind Farm Communications Team
